Invitation to Chatham's first *Plaid Picnic* at the annual OctoberFeast Celebration *Saturday, October 5th*

Plaid Picnic – Chatham, NY's community harvest table – will have its premiere on Saturday, October 5th during the annual OctoberFeast celebration. This alfresco dining experience gives residents of Chatham and the surrounding communities the opportunity to show off their design and cooking skills. Art Park will kick off the event at 1 pm on Main Street to prepare for a 2 pm seating.

Please bring the following:

- Your own classy picnic table setting
- A tasty dish to share, preferably homemade or from your local farm (small packages are best for space consideration)
- Wear something plaid

We encourage gorgeous table settings and over-the-top homemade and premade dishes to share. Let's make this dining experience as posh as any great restaurant.

Tables and chairs will be provided but everything else is BYO. You are encouraged to purchase food and drink from the local restaurants as well.

For more information on OctoberFeast, please visit:
